CERTIFICATION

To whom it may concern,

I am happy to recommend **TUZOV ARTYOM**, a third-year student of Bachelor's degree in Computer Science, for the participation in the Exchange Program.

At Innopolis University, the only medium of instruction at all levels of education is the English language. The instructors of Innopolis University verify that Tuzov Artyom possesses sufficient English language proficiency to successfully participate in the Exchange Program. As certified by the English Division of Innopolis University, in the most recent English language test Tuzov Artyom demonstrated the following results:

Listening	**C1 (7.0)**
Reading	**B2 (6.5)**
Writing	**B2 (6.5)**
Speaking	**B2 (6.5)**
Overall (CEFR):	**B2 (6.5)**

Throughout the student's English courses, he was able to analyze scientific papers, support his claims verbally and in writing with relevant research-based evidence in a coherent and concise manner, as well as express his personal opinion.

I am confident that Tuzov Artyom is well prepared for the Exchange Program both academically and personally, and his communication skills in the English language are sufficient for him to take full advantage of your Exchange Program.
